

Doorway Online is a collection of **free** learning activities provided by **Scottish Borders Council**. This is a suite of high quality educational activities that learners find easy to use independently. They are designed to be accessible to as many learners as possible including touch screen, switch and interactive whiteboard users. Below are some of the activities you will find at doorwayonline.org.uk

Literacy

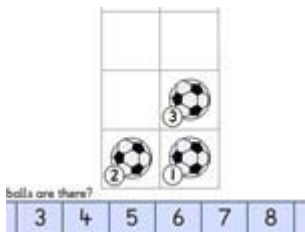

First Sounds reinforces the learning of all the initial sounds including digraphs sh, ch and th.

First Words gives practice in spelling 60 simple words, including CVC and 'oo' and 'ee' words.

Doorway Speller is a complete spelling scheme from Level A to D of the Scottish National Curriculum.

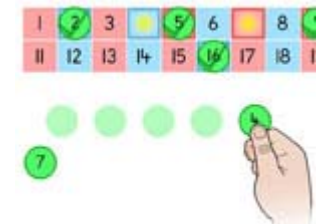

Numeracy, Time and Money

Up to 10 supports learners as they develop counting skills, such as one-to-one correspondence.

Number table exercises the ability to identify and order numbers 1-10, 1-20, 1-50 and 1-100.

Cashing In gives practice in choosing the correct coins to make up sums of money.

About Time is a set of three activities to develop the concepts of time; **Time passing**, **Setting the Clock** and **What time is it?**

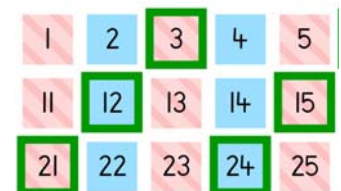

Touch Typing

Doorway Text Type is a very effective touch typing tutor with clear presentation. Now with speech prompts and feedback for visually impaired users.

New set of numeracy activities!

Count me in
